TENTATIVE AGENDA TOPICS

DCI SECURITY COMMITTEE SEMINAR - II

October 8-10, 1980

Listed below are tentative agenda topics suggested by the Committee staff for the second SECOM seminar:

25X1A 1. Security lessons learned from [] 25X1A [] etc., with emphasis on field file holdings, emergency destruction capabilities and physical security of facilities.

2. A DCI Intelligence Community budget for FY 1983 to fund security R&D, education, equipment and activities which are beyond the scope of any given agency or department and which would supplement individual agency and department security budgets. Elements of such budget to be prepared by subcommittees and working groups and defended by their chairmen before the SECOM. Chairman, SECOM, to serve as executive agent for approved funds, which would be provided appropriate subcommittee and working group chairmen for action with periodic accountability to the SECOM.

3. What standards should SECOM propose for personnel security investigations for access to intelligence at various classification levels? What use of the polygraph should they specify?
